Top Trading Insights

Match Odds & Over/Under -

High

Arsenal Win and Over 2.5 Goals

Angle: Back Arsenal and Over 2.5 goals in a Bet Builder or pre-match Asian Handicap -1.5

Reasoning: Arsenal are heavily favored at 1.35 odds and boast immense attacking power with Gyokeres. Bournemouth's leaky defense, combined with injuries to their defensive midfield, leaves them highly vulnerable to Arsenal's high-pressing attack.

Goalscorer Markets - Viktor

High

Gyokeres Anytime Goalscorer

Angle: Back Gyokeres to score anytime

Reasoning: Gyokeres is leading the line brilliantly for Arsenal this season, accumulating high xG numbers. Facing a Bournemouth defense conceding over 1.6 goals per game makes this a high-value proposition.
