

Brentford vs Fulham

Pre-Match Trading Analysis Report | Generated: 17/04/2026

Match Summary

A crucial West London derby at the Gtech Community Stadium sees 7th-placed Brentford taking on 12th-placed Fulham. The Bees are pushing for a historic European spot under Keith Andrews but come into this fixture having drawn their last four matches, dropping points from winning positions. Marco Silva's Fulham, sitting just three points behind the hosts, will be looking to bounce back from a 2-0 defeat to Liverpool and rely on their excellent recent head-to-head record against Brentford.

Key Stats & Trends

- Brentford have drawn their last four consecutive Premier League matches.
- Fulham have won the last three head-to-head encounters against Brentford, including a 3-1 win in the reverse fixture.
- Brentford have dropped 24 points from winning positions this season.
- Fulham have kept just one clean sheet in their last 17 Premier League matches.

Top Trading Insights

Asian Handicap - **Fulham +0.25**

Medium

Angle: Backing Fulham with a positive handicap due to their strong head-to-head record and Brentford's tendency to draw games.

Reasoning: Brentford are struggling to convert leads into wins and have drawn four straight. Fulham's recent dominance in this fixture provides excellent value on the +0.25 line.

Total Corners - **Under 10.5 Corners**

High

Angle: Lay Over 10.5 Corners / Back Under 10.5 Corners

Reasoning: Brentford average an incredibly low 3.8 corners per game, while conceding around 5.6. The combined metrics strongly suggest a lower corner count.

Both Teams to Score - **Yes**

High

Angle: Back BTTS - Yes

Reasoning: Fulham have only one clean sheet in 17 games, while Brentford's games regularly feature goals at both ends, having conceded in five consecutive home matches.

Team Previews

Brentford Analysis

Key Player: Igor Thiago (Striker)

Leading the attacking line brilliantly this season, acting as the primary goal threat and focal point for the Bees' forward transitions.

Strengths

- ✓ Potent attack led by Igor Thiago
- ✓ Strong home point accumulation overall this season

Weaknesses

- ✗ Inability to hold leads (24 points dropped from winning positions)
- ✗ Severe injury crisis in midfield (Henderson, Janelt, Carvalho)

Fulham Analysis

Key Player: Harry Wilson (Winger)

A standout performer for Fulham this season with 10 goals and 6 assists, dictating attacking tempo and providing direct goal involvements.

Strengths

- ✓ Psychological edge from winning the last 3 H2H matchups
- ✓ High attacking output from wide areas via Harry Wilson and Oscar Bobb

Weaknesses

- ✗ Extremely poor away form (one win in the last seven away league games)
- ✗ Defensive fragility with an ongoing lack of clean sheets
