

Brighton vs Wolves

Pre-Match Trading Analysis Report | Generated: 06/05/2026

Match Summary

Brighton host mathematically relegated Wolves at the Amex Stadium on May 9, 2026. Fabian Hurzeler's high-flying Seagulls are 8th in the Premier League and eyeing European spots, while Vitor Pereira's Wolves sit rock bottom. Brighton's dominant home form and possession-based system should comfortably dispatch a Wolves side that has zero away wins all season.

Key Stats & Trends

- Wolves have 0 away wins in 17 matches this season, averaging just 0.41 goals scored on the road [1.7].
- Brighton sit 8th in the 2025/26 Premier League table with 50 points and 49 goals scored from 35 matches.
- Danny Welbeck leads Brighton with 13 Premier League goals this season.
- Wolves are mathematically relegated, sitting dead last with just 18 points and a -38 goal difference.
